Our outstanding team of renowned doctors specialize in the non-invasive diagnosis of peripheral neuropathy, peripheral vascular disease, and musculoskeletal disorders affecting the foot and ankle. Our podiatrists are experts in delivering care for complex foot disorders suffered by the diabetic patient and the immunocompromised patient. Our doctors collaborate with multiple academic disciplines to ensure best patient outcomes.

BayArea FootCare Your first step towards an active, pain-free lifestyle starts here.

Experience + Technology = Healing

Bay Area Foot Care has been providing comprehensive foot and ankle care in the San Francisco Bay Area for the past 20 years. We are committed to providing you with the most advanced podiatry treatment available in a friendly, family-oriented atmosphere designed to make you feel at ease. Our doctors are extensively trained in all aspects of foot and ankle surgery including common foot problems.

Bay Area Foot Care - Podiatry Service That You Can Trust!

Our mission is to provide hands-on comprehensive foot and ankle care, utilizing advanced diagnostic and therapeutic techniques in a compassionate environment. We seek to constantly exceed our patients expectations.

Bay Area Foot Care - Diabetic Foot & Wound Care Experts in the San Francisco Bay Area

Our physicians are experts in Diabetic Peripheral Neuropathy, Diabetic Foot Wounds, and General Diabetic Foot Care. Our philosophy in preventing amputations starts with a multi-disciplinary approach to management of complicated wounds. Getting evaluated by a vascular surgeon and a podiatrist simultaneously leads to a timely diagnosis and to a well-orchestrated treatment plan. Our doctors specialize in the diagnosis, treatment, management, and prevention of non-healing wounds.
